

Financing Roundtables presented by TEAM SBA

If you are seeking financing for your business, plan to attend a Financing Roundtable presented by TEAM SBA. TEAM SBA is an SBA lender, a business consultant, SBA staff, and business owners like you. TEAM SBA will debunk the myths and demystify the process of financing. You will learn how your loan application will be analyzed, what underwriting criteria are used, and how banking regulations affect the decision. We will answer *your* questions based upon *your* business model. Over the last seven years, TEAM SBA has helped over 1,000 entrepreneurs gain a better understanding of the financing process. In order to help you, we require you to have good credit, a solid business idea, and some money to invest in your business. **The roundtables are free to attend, but you must register in advance and meet the criteria above. All Sessions run from 9 a.m. to Noon.**
